

CONTACT TRACING AND AFFILIATE NOTIFICATION PROGRAM

As of COVID-19 and the start of the 2022 academic year, the University of the South Florida (USF) has implemented a contact tracing and affiliate notification program.

Individuals who are currently enrolled in a USF course or who are currently employed by USF will receive an email to their AU email account from the Affiliate Notification Team. This email will contain information about the program and how to opt out of the program. If you are currently enrolled in a USF course or currently employed by USF, you must report AU contacts.

Individuals who are currently enrolled in a USF course or currently employed by USF must report AU contacts.

Contact tracing and affiliate notification are required for all individuals who are currently enrolled in a USF course or currently employed by USF. This program is designed to help protect the health and safety of the USF community.

Contact tracing and affiliate notification are required for all individuals who are currently enrolled in a USF course or currently employed by USF. This program is designed to help protect the health and safety of the USF community.

OPTIONAL

An individual who is currently enrolled in a USF course or currently employed by USF may choose to opt out of the contact tracing and affiliate notification program. To opt out, the individual must contact the Affiliate Notification Team at DC.H.Affiliate@usf.edu. The individual must provide their name, USF email address, and a valid phone number. The individual must also provide a valid email address for the Affiliate Notification Team to contact. The individual must provide a valid phone number for the Affiliate Notification Team to contact. The individual must provide a valid email address for the Affiliate Notification Team to contact.

PROGRAM
